Water Co.™

## WATER CONNECTION WAIVER

Great Basin Water Co. requires the presence of the customer or his agent when water service is connected. (*Must be 18 years of age or older*)

I, \_\_\_\_\_, state that the water service may be connected in my absence at the residence listed below. I release and forever hold harmless Great Basin Water Co. from any liability if water damage occurs inside my residence or to my service lines due to the water service being turned on in my absence.

I understand that Great Basin Water Co. has the right to disconnect / cut off the water service should the meter indicate that there is water being lost for any reason. In this case, it will be necessary for me to set up another appointment during regular business hours to have the service connected / turned on at my residence.
